Did you Notice - Great Things Happening at Shavano Park

At times, I'm so busy working on my to-do list that I forget to reflect all the great things we've accomplished. While the number of successes are too many to list, below are a few accomplishments that you might not have noticed.

- The South Monument sign along NW Military Highway is complete and lit at night.
- A new fence was installed along Cliffside Road to mark the City boundary and improve safety
- Tree subcommittee formed and operating
- Comprehensive tree maintenance was accomplished at City Hall
- City of Shavano Park earned Tree City USA designation
- The City developed and employed a new City website and we continue to improve daily
- Renovated [Facebook page](#) and created a City [Twitter account](#).
- Our Code Enforcement Officer (Officer Kerr) celebrated his 1 year work anniversary and is constantly recognized for his excellent in duty
- Both Shavano Park Police and Fire remain actively engaged with Blattman Elementary School Programs
- Significant maintenance improvements have been completed at the City's water well sites
- City Water Tower contracted to be refurbished and painted
- NW Military Highway project to add center turn lane was recommended for final MPO approval
- Development along Lockhill Selma and Loop 1604 continue to add quality businesses that enhance our great City
